REGULAR ACTIVITIES ANNUAL REPORT 2020-21

The 2019–20 coronavirus pandemic is an ongoing pandemic of coronavirus disease 2019 (COVID-19) caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2). The outbreak was identified in Wuhan, China, in December 2019. The World Health Organization declared the outbreak to be a Public Health Emergency of International Concern on 30 January 2020, and then recognized it as a pandemic on 11 March 2020.

The virus is primarily spread between people during close contact, often via small droplets produced by coughing, sneezing, or talking. While these droplets are produced when breathing out, they usually fall to the ground or onto surfaces rather than being infectious over long distances. People may also become infected by touching a contaminated surface and then touching their eyes, nose, or mouth. The virus can survive on surfaces up to 72 hours. It is most contagious during the first three days after the onset of symptoms, although spread may be possible before symptoms appear and in later stages of the disease. Common symptoms include fever, cough and shortness of breath.

Recommended preventive measures include hand washing, covering one's mouth when coughing, maintaining distance from other people, and monitoring and self-isolation for people who suspect they are infected. Authorities worldwide have responded by implementing travel restrictions, quarantines, curfews and stay-at-home orders, workplace hazard controls, and facility closures. The pandemic has led to severe global socioeconomic disruption.

Kle's Jagadguru Ganagadhar College of Commerce Vidyanagar, Hubballi, NSS Volunteers took up the task of preparing masks at home and distributed to vegetable vendors, fruits sellers and trespassers near home maintaining social distancing and not violating the rules.

An awareness programme was organised against COVID19- a webinar for NSS Volunteers on 10th April 2020 at 11.00am through zoom app. The program was inaugurated by Dr T.M Bhaskar, Vice Chancellor, KUD and Resource persons were Dr. Poornima Jogi, State NSS implementation officer,

State NSS Cell, KUD and Dr MB Dalapati, NSS Cell Co-ordinator, KUD. The program highlighted do's and don'ts regarding the disease and was advised to stay at home. More than 100 NSS Volunteers including PO's took part in the program. National Level Online Essay Competition is organised on the topic Problems and Challenges of COVID19 for all the UG and PG students and the last date to submit the essay is 5th May, As a part of creating awareness without stepping out of the house Principal, Faculties and students prepared video's and photos by holding slogans
