"INNOVATION AND COMMERCE  
 ARE AS POWERFUL TOOLS FOR CREATING SOCIAL  
 PROGRESS AS THEY ARE FOR DRIVING  
 TECHNOLOGICAL ADVANCEMENT."

**Dr. PRABHAKAR KORE, MP**

Chairman, KLE Society &  
Chancellor, KLE University

**SHRI ANIL V. PATTED**

Member, Board of Management  
KLE Society Belagavi and Chairman's  
Nominee of the College.

**CHAIRMAN'S MESSAGE**

*'Transforming Lives through Education'*

*The KLE Society, Belagavi has been delivering quality educational programmes of global standards ever since it was founded by seven dedicated teachers popularly known as 'Saptarishis' and three benevolent founders in the year 1961.*

*The KLE success story of ten decades speaks volumes of the dedication and commitment of thousands of people "Transforming Lives through Education". A hub of more than 256 institutions that offers and disseminates the knowledge in all spheres of education, for overall development of students. It promotes and encourages the student community to opt for programmes like: Medicine, Dentistry, Pharmacy, Nursing, Agriculture, Law, Business Management, Hotel Management, Engineering and Technology, Basic sciences, Arts, Commerce and Education. In pursuit of higher excellence in the fields of Health and Technology, the society has established KLE Health University and KLE Technological University at Belagavi and Hubballi, respectively. These universities have collaborations with Universities in US, UK and Malaysia and have added new dimensions to the society making it on par with reputed educational institutes worldwide. More than 1,10,262 students and 16000 dedicated faculties have contributed in making the society an International Educational destination. Recently society has celebrated Centenary celebration to mark its 100 years of selfless services in the field of education.*

*It is privilege to welcome the students for their bright future in our institution and contribute towards the development of the nation.*

*"His **LEADERSHIP**  
is a never ending **RESOURCE OF ENERGY**"*

*It gives me immense pleasure that the JGCC is progressing in all its accomplishments towards the overall development of the students. Our vision is based on hard work, open communication, a strong emphasis on team work and a high level of responsibility. This visionary culture allows and emphasises our wards not only to adopt the present day challenges but also individual responsibilities to the society and our nation at large. Learning should be based on doing things and not merely knowing things. Until and unless learning solutions relate to real life and motivate the learner to acquire and apply the knowledge, the whole process will remain superficial. Our institution has set specific objectives and planned activities for achieving excellence in all spheres of commerce education.*

*The service of the institution in creating personally mature, professionally equipped and service-oriented graduates is really worth mentioning. We strongly believe in academic excellence and do not compromise on teaching standards or discipline. These three things are the springboards on which we operate.*

*We also believe in total learning and sharing. Have a visit to K.L.E.Society's J.G.C.C and feel good to get good education.*

**Dr. D.V. Honagannavar**  
PRINCIPAL

### PRINCIPAL'S MESSAGE

*It is a matter of great pleasure and honour for me to welcome our newly admitted the students to this prestigious institution. As you step into the new academic year with lot of hopes and dreams of scaling new heights.*

*As Principal, I am proud to share the information about our programs, staff and students. The college is affiliated to Karnataka University, Dharwad. Since 1947, the college has made great strides in meeting specific needs of both students and stakeholders.*

*The College continues to build on its rich history and tradition of excellence by offering quality degree program that provides students with the necessary education and skills, supplemented by excellent infrastructure and instructional facilities, for their careers in commerce. The college offers a comprehensive package of education and training opportunities to the student's community. UGC Sponsored Career Oriented Programs. Certificate, Diploma and Advance Diploma courses are also offered to the students as add-on to the regular programs. The college has a tradition of getting University ranks and blues.*

*We actively seek students who best personify our core values – Innovation, Leadership, Excellence, Integrity, Respect and Professionalism. Without our core values, the college could easily be a college much like any other. Instead, we continue to grow and thrive. We are a renowned leader in commerce education. This bench marking has been recognized nationally in the form of accreditation with 'A' Grade by National Assessment and Accreditation Council (NAAC), India with 3.33 CGPA, in the year 2015. We remain committed to providing our students with the best education possible in a setting where every student matters.*

*ICT (Information Communication and Technology) and innovative pedagogy have become an integral part of quality education. Effective use of ICT and well stacked library with digitization enables educators to involve all the students in the process of learning. This will enable the students to be a part of the education process beyond the classrooms.*

*Spacious playground, Multi-gym and Basketball Court help the students to mould their physical personality. In the past 72 years Jagadguru Gangadhar College of Commerce has grown not only in terms of strength and size but also in levels of excellence, which is possible because of continues guidance and support from our management. I would like to acknowledge my sincere thanks to the teaching and non-teaching staff members who have worked tirelessly with commitment and dedication that has helped the institution to reach its goal.*

*We are sure that you will get more information in this prospectus. For any guidance you can contact college office. Principal and staff members, wish you all the very best during your course of study in this college.*

### ABOUT COLLEGE

*The Jagadguru Gangadhar College of Commerce, the first collegiate Institution in Hubli, was founded in the year 1947, as a single faculty college. During those days there were no centers of higher learning in Commerce in the whole of North Karnataka within a radius of 300 miles. K.L.E. Society, watchful of requirements of educational institution, expressed its concern and readiness to start a College of Commerce at Hubli. A munificent donation and ideal site provided by His Holiness Jagadguru Gurushiddha Rajyogindra Mahaswamiji of Murusavirmath Hubli enabled K.L.E. Society to venture to start the college. The Karnataka Chamber of Commerce headed by Late Shri. S.S.Yalamali, the then President, and Late Shri. R.V. Shirur, the then secretary and a few philanthropists of Hubli have contributed a lot, financially, for the commencement of the college. Permission from Bombay University was obtained with the efforts of Late Sri. H.F. Kattimani, founder life member and Dr. B.S. Jirge the then Chairman of K.L.E. Society.*

*The College started with a meager strength 114 students came under the jurisdiction of Karnatak University Dharwad in 1949 and it was permitted to run B.Com Degree course. The Department of Commerce of Karnatak University to conduct Post-graduation course in M.Com was opened in the premises of J.G. College of Commerce in 1954 founded by the Karnatak Lingayat Education Society in 1947 with the blessings of His Holiness Jagadguru Gurusiddha Rajayogindra Swamiji of Murusaviramath, the active support and encouragement from the Chamber of Commerce and the philanthropic public of Hubli, J. G. College of Commerce, Hubli is the oldest single faculty collegiate institution in this part of Karnataka. Affiliated to Karnatak University Dharwad, it has been offering value based and career oriented education since then. Built on a spacious area of 9.25 acres on N.H. 4, it has all the infrastructural facilities such as spacious class rooms, an independent library with a unique collection of over 72,000 volumes, well equipped Computer Lab, LCD Multimedia System, Auditorium, Hostel, Staff Quarters, Play Ground etc. Since six decades of its existence, the college has built an enviable reputation both in academics and sports. While it can boast of having produced Ranji Trophy players like Shri Avinash Vaidya, Shri Rajesh Kamat, Shri Pramod Kamat, Shri Babu Patil and Manoj Malhotra in sports section, it feels equally proud about its achievements in academics too wherein it has produced hundreds of rank holders at the university level. Apart from regular B.Com., vocational B.Com. in Tax Procedure and Practice funded by UGC, is also taught to a limited number of students. It has been making consistent efforts in improving the quality of education by conducting Seminars, Group Discussions, Mock Interviews, visit to Industries and Banks, practical training on Income Tax and Sales Tax, Statutes, Entrepreneurship, interaction with entrepreneurs, tax authorities and practical knowledge of the subjects. An outstanding achievement of our degree college is that it has the privilege of being the first commerce college accredited at 'A' grade by NAAC in the Karnatak University jurisdiction which itself is a testimony to the high ideals, vision, mission and goals it has kept before it.*

## Vision

To be a leading and premier institution by facilitating conceptualization of theory and practical insight, the aspirants of knowledge, about the world of business and to groom them with the values of life.

## Mission

To impart quality commerce education catering to the needs of the ever changing business world by bringing out the potential competency among the students so as to help them in establishing the business of their own and to train them to become professionals in the field of Commerce and Management.

## Goals

1. To impart commerce education to the students enabling them to take further studies in professional courses such as MBA, CA, CS, CFA, ICWA, Law, etc and higher education.
2. To enable the students to take up employment in various organizations and self-employment such as the practice of Accountancy, Auditing, taxation, etc.
3. To enable the students to acquire knowledge required to establish and run business of their own.
