REPORT ON EMPLOYERS FEEDBACK ON CURRICULUM 2023-24

The positive feedback mechanism is perhaps one of the most powerful ways to make employees feel valued and their contributions matter. It is also a full proof way to connect, build a rapport and strengthen the relationship.

The feedback was collected from different employers on Institutional contribution towards students' performance. Employers expressed the responsibility of the employee has towards Level of Professional, Ethical and Social responsibility helps companies attract and retain a healthy ambience in the workplace. Majority of the employers expressed that employee's openness, commitment, knowledge and adaptive nature in today's competitive world is exceptional.

Through a multidisciplinary approach, a student gains arsenal of skills like problem solving, critical thinking, time management, self-management, communication, analysis and research methodologies that transforms one's dedication and obligation towards his/her service.

Employers manifested that overall quality of the employees met their expectations and the syllabus of the Karnatak University, Dharwad complements with the current employability trends.
