Students Feedback Analysis on Curriculum 2023 - 24

The college is affiliated with Karnatak University, Dharwad, it follows the syllabus prescribed by the university. In order to analyse the student responses on the syllabus various questions were asked through questionnaire and each one of them is explained below:

1. Majority of the students rated that the curriculum is moderately relevant in today's scenario.
2. 51% of the students have responded that the syllabus needs to inculcate theory and practical components in the syllabus as it is needed for the preparation of Higher education.
3. 58% of the students significantly agreed that the syllabus prepare them for higher education and helps them in the future.
4. Students have responded neutrally that the syllabus is on par with global demands.
5. About 53% of the students expect mixture blend of theory, practical and skill oriented in the syllabus.
6. Around 61% of the students have moderately responded that the knowledge gained is relevant to the employment demand.

7. It was observed that 66% of the students have responded that the placement cell functions significantly to cater to the needs of the students.
8. Majority of the students have responded satisfactory with the behavior of the office personal.
9. 57% of the students have agreed that the college adheres the transparency and fairness in the college.

Observations:

1. Majority of the students have the opinion that the syllabus needs to be revised on regular basis and it should be more a blend of theory, practical and skill oriented and the same was submitted to the University for further actions.
2. It was recommended that office personnel need to be given proper training on professional etiquettes for overall improvement and smooth conduct.
