Report on Basics Of Dance Style Certificate Course

Dance is described as the movement of the body in different postures with music and it is one of the most ancient forms of art, running through every civilization of the earth. A typical dance training course will train students in areas such as choreography, dance practice, dance notation, movements, performance, etc.

As a part of student support and progressive activity a special course was initiated by the Institution for the benefit of student community from 16/11/2023 to 09/12/2023. The main purpose of exposing this course is to help students or rising artists to exhibit and show their artistic talent to the world.

Highlights of the course:

- This course gives individuals the knowledge base and skills necessary to teach formal dance, choreography, and the history of the field.
- This course is focused on imparting holistic knowledge about various dance forms to deliver a complete overview of all the aspects.

Professional Dance Certificate course is introduced to pursue dance as a profession or as a career. It is focused on the holistic development of dancers, exposing them to different dance forms, performance experiences, stage skills, and professionalism.

In India, the career of dancing is very much feasible. Western influence and rapid growth of the entertainment industry have opened opportunities for careers in dance. Nowadays in India, dancing courses offer not just classical forms, they also offer western dance forms and any other dance form which is in trend.

The Course was framed for 40 hours and a total of 31 undergraduates enrolled for the course and showed immense zeal. Few of the students already have joined as dance instructors. The co-operation of the management , Principal and the staff in conducting the course has made the course a success.

Report on Certificate Course on Writing Skills

As a part of student support and progressive activity a special course was initiated by the department. The program mainly emphasized on the students of rural background and those who are not well versed with the English Language as English Constitutes an integral part on the career building. The course was conducted for B.Com I and II semester throughout the year on regular time-table basis as good writing skills help students communicate their ideas clearly and effectively. They also help them to think critically and express themselves in a structured manner.

After the completion of the course the students will be able to

- Enable students to communicate effectively, articulate their thoughts clearly, and present their ideas in a structured and organized manner.
- Students are better equipped to excel in their academic pursuits, as well as in their future careers, where effective written communication is often a critical skill.
- Develop their critical thinking and problem-solving abilities, as they are required to analyze information, develop arguments, and defend their positions through writing.
- Enhance their writing abilities to achieve their goals and succeed in life.

LIFE INSURANCE

Date: 22-05-2024

Department of Commerce

A BRIEF REPORT ON LIFE INSURANCE CERTIFICATE COURSE

A Certificate course in "LIFE INSURANCE" was conducted by the Department of Commerce to give an insight to the students on the advancement in the insurance sectors on par with the information technology. The course commenced on 21-03-2024 with 30 registrations. Regular classes were conducted in accordance with the scheduled time table with consistent attendance of the students. Students were given with practical scenarios which widened their horizon on the various types of insurances, insurance companies and how they actually function. Students were also given a thorough knowledge on the insurance legislation, the prospects of insurance companies as well as the career path in the insurance sectors.

Two tests were conducted for the students to test their skill sets & the knowledge they have gained, it has been observed that the students have performed extremely well in the tests conducted.

Following is the table of the result analysis:

GRADE	No of Students
A	23
B	05
C	02

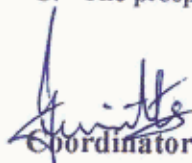

A= 1st Class, B= 2nd Class, C= Pass Class

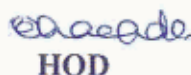

For the students under the pass class special classes for a week were conducted thus helping them to overcome their weakness in understanding the importance of insurance and its benefits. The course ended on 10/05/2024, after-which certificates were issued to the students which would be helpful as an added advantage towards their career.

Outcome of the Course:

The course helped the students regarding

- The role, design and development of various insurance products.
- Development of traditional and nontraditional policies, non - life insurance contracts ranging from health, marine, fire and agriculture insurance policies.
- The prospects of insurance company business in the wake of privatization.
